Discover this magnificent penthouse in the heart of Anderlecht: a modern residential pavilion where comfort, style and quality of life come together perfectly. This exclusive residential project offers an exceptional living experience with high-quality finishes and unique amenities.

An absolute eye-catcher is the impressive terrace configuration. Several spacious terraces offer a breathtaking panoramic view of Brussels and its surroundings. Ideal for relaxing, receiving guests or enjoying the outdoors in peace and quiet. Thanks to large sliding glass doors, indoor and outdoor space flow effortlessly into one another.

The penthouse is currently furnished with two spacious bedrooms, but can easily be returned to its original layout with three full-size bedrooms – perfect for families or those who like to provide extra space for guests or an office. Both bedrooms have fixed built-in closets.

The open living space is bathed in natural light thanks to large windows and creates a pleasant, inviting atmosphere. The kitchen is stylishly appointed with wooden cabinets, dark gray countertops and quality built-in appliances. The entire apartment is finished with durable ceramic tiles, making for a low-maintenance and timeless unit.

The layout is thoughtful and comfortable: a fully equipped bathroom with modern sanitary ware, double sink in

cabinet, shower and sauna for ultimate relaxation, complemented by a second toilet. There is also a separate guest toilet, a spacious storage room with all necessary connections, a water softener and extra storage space within the penthouse.

Furthermore, the apartment has a private cellar and there is the possibility of purchasing a garage box and an indoor parking space, which completes the living comfort.

The location in Anderlecht combines urban dynamism with practical accessibility: schools, stores, restaurants and public transport are in the immediate vicinity. The panoramic views from the penthouse emphasize the vibrancy and charm of this Brussels city neighborhood, with sports and leisure facilities also nearby.

This is more than a home – it is a lifestyle.

Let yourself be seduced by space, light, comfort and modern luxury, and experience high-level living.
