Investment property with 3 registered units and a garden

rue jules delhaize 58, 1080 Molenbeek-saint-jean

Reference: 4456 | Investment property

€370.000 EPC G

120 m²	4	1	488 kWH/m²

Are you looking for an investment property with potential in Molenbeek-Saint-Jean? This building, consisting of 2 registered units, is definitely worth your consideration.

Located in a rapidly evolving neighborhood, this building offers an attractive opportunity for an investor looking for'a property to renovate and increase its value, as well as for a buyer wishing to make the most of the spacious rooms and existing'layout possibilities.

'building currently consists of two registered units spread across several levels. The spaces offer generous volumes and numerous possibilities for reorganization, subject to the necessary zoning permits. A renovation will allow for the redesign of the various spaces,'optimize their functionality, and further highlight the building's potential.

'Its layout is a real asset for an investment project: the two existing units make it possible t'explore various strategies for'use, whether for rental, as a long-term asset, or for future appreciation.

The building also features'a beautiful garden, offering significant additional potential for this type of property.

Located on a street with little traffic, the'building enjoys'a relatively quiet setting while remaining close to shops,

public transportation, schools, and the main amenities of Molenbeek-Saint-Jean.

'The appeal of this property lies above all in its potential for'remodeling and enhancement: a solid existing foundation, two established units, and numerous possibilities for those wishing to undertake a renovation project and adapt the spaces to their goals.

A property worth exploring for investors and buyers seeking'a building with real potential, in an area undergoing dynamic transformation.

A visit will allow you to better appreciate the spaciousness, the current layout, and the various possibilities th'offers for the building''.
